## Year 2 Science Incursion

Dear Parents/Carers,

This term, Year 2 students are studying the unit 'Schoolyard safari and invertebrates'. To support their learning in this unit, students will be taking part in an incursion, conducted by Field of Mars Environmental Ed Centre.

During this incursion, students will explore the amazing creatures that can be found in their school environment. They will use a range of special equipment to find, capture and study these important animals. We strongly believe that the incursion will thoroughly engage and excite students about their learning.

**Date: Tuesday 7 June 2022 - Payment is due by Tuesday 31 May 2022.**

**Cost: \$12** (this includes use of all the equipment on the day).

### PAYMENT

Using the link on our School Website at [www.casula-p.schools.nsw.edu.au](http://www.casula-p.schools.nsw.edu.au) Click on 'Make a Payment' and follow the prompts to make a payment via Visa or MasterCard.

**\$ Make a payment** you must enter:

- the student's name
