15 February

Dear Parents / Carers

Over the last couple of weeks since returning to school we have received a significant increase in enrolments, which has meant that our classes have become extremely full. As a result, we will need to make some changes this week to our class formations to ensure that we are following Department of Education guidelines for class numbers.

We have restructured classes to ensure that we make as little disruption to school routines and students, where possible. We will be forming new classes starting on Thursday 16 February, and this will be communicated to students on Wednesday, to avoid any confusion. Teachers will be making contact with families of any students that will be changing classes before the formation on Thursday.

We appreciate your understanding and will notify families affected by the restructure, as soon as possible.

Kind regards

Megan Predl
Principal (Rel)
