

Casula Public School

Seesaw Re-Launch

Dear Parent/Carer,

Casula Public School is excited to announce that Seesaw is returning! Most parents/carers will be familiar with Seesaw and the benefits of the learning portfolio platform. If you aren't familiar, here is a summary of what the program offers.

What is Seesaw?

- ✓ Seesaw is a simple way for teachers and students to record and share what's happening in the classroom.
- ✓ Seesaw gives students a place to document their learning, be creative and learn how to use technology.
- ✓ Each student receives their own journal and will add things to it, like photos, videos, drawings, or notes.
- ✓ When there are new Seesaw posts, families can be notified via app notification, email or SMS.
- ✓ Parents are only notified about their own child's work, and all data is safe and secure.

How do I connect to my child's Seesaw journal?

Parents/Carers and students need to sign the Casula Public School's Seesaw Policy Agreement on SchoolBytes prior to using the communication platform. Once you and your child have signed the policy, your child's classroom teacher will send home your Seesaw QR code. The QR code note will explain how to set up Seesaw on your device. Each child will have their own unique QR code that once you scan via the app you will immediately be able to see your child's learning journal.

EXCITING NEWS!

The teachers are all very excited, as are the students to share what's happening in our classrooms. Please do not hesitate to ask any of the teachers or office staff to assist with setting up your new account.
